FOR THE PERIOD 2010/2011**

DESCRIPTION OF PROJECT

**REHABILITATION OF ELEMENTARY  
SCHOOL & FACILITY**

Total cost of project	40% funding Diocese	Difference to be funded by Alumni Assoc.	60% funding Alumni Assoc America	40% funding Alumni Assoc Liberia
<b>20,000.00</b>	<b>8,000.00</b>	<b>12,000.00</b>	<b>7,200.00</b>	<b>4,800.00</b>

On a yearly basis, the Alumni Association in conjunction with the Diocese will identify a short -termed project. The funding of this project will be done on a three-way funding approach. The funding of this project is an addition to other costs, such as personnel costs and other operational costs.

Note: all short-termed projects are to be completed within the fiscal period.

The cost of 2010/2011 project is estimated @ \$20,000.  
We are proposing that a funding of 40% be done by the Diocese and the balance 60% by the Alumni Association ( America/Liberia).

Details of costing of this project will be provided by the by the Association's team of engineers.
