10. Robertson house renovation

Future Projects

1. Langford Hall, boys' dormitory
2. Reopening of St. John's and House of Bethany for boarding
3. Cafeteria
4. Planned pilgrimage from Christ Church, Staten Island, including donations of school supplies and materials
5. Mrs. Marilyn Kean Robertson Scholarship

School Staff

EES/EHS Staff

The principal and superintendent is Rev. Fr. Richard B. Kpehe, M. Ed, M. S.Th, B.A. Th. He is also the priest for the church. (See principal's reports for information about students' grades.)

Annual Report, Rev. Fr. Richard B. Kpehe

| | |
|-------------------|-------------------|
| Total Income | \$3,008,435 (LRD) |
| Total Expenditure | \$2,884,600 (LRD) |
| Balance on Hand | \$123,835 (LRD) |

The report is subject to further review by the US and Liberian chapters regarding missing documentation for financial line items (e.g., detailed income, expense, receipts, etc.).

EES Tuition and School Fees

In Liberian dollars:

| Class | ABC-K-II | 1st -3rd | 4th -6th |
|--------------|-----------------|-----------------|-----------------|
| Tuition | \$5000 | \$7,000 | \$8,000 |
| Requirements | \$5,400 | \$5,100 | \$5,100 |
| Total | \$10,400 | \$12,100 | \$13,100* |

* ~\$76.27 USD, 1 LRD = 0.00582221 USD

EHS Tuition and School Fees

In Liberian dollars:

| Class | 7th | 8th | 9th | 10th | 11th | 12th |
|--------------|------------|------------|------------|-------------|------------------------|-------------|
| Tuition | \$ 10,000 | \$10,000 | \$10,000 | \$15,000 | \$15,000 | \$16,000 |
| Requirements | \$5,850 | \$5,850 | \$5,850 | \$5,850 | \$5,850 | \$5,850 |
| Total | \$15,850 | \$15,850 | \$15,850 | \$20,850 | \$20,850 | \$21,850* |

* ~\$127.21 USD, 1 LRD = 0.00582221 USD

Ongoing Project

Memorial Wall: Means of Fundraising

Phase 1 Completed: There are two walls, one online **on the website** and two physical plaques at the elementary and high school libraries.

The walls are to memorialize our loved ones. The donation is \$50 for each deceased person.

Phase 2 is started.

Ongoing Project

Solar Street Lights for Campus

Grant proposal to get solar lighting for Robertsport and Bolahun schools.

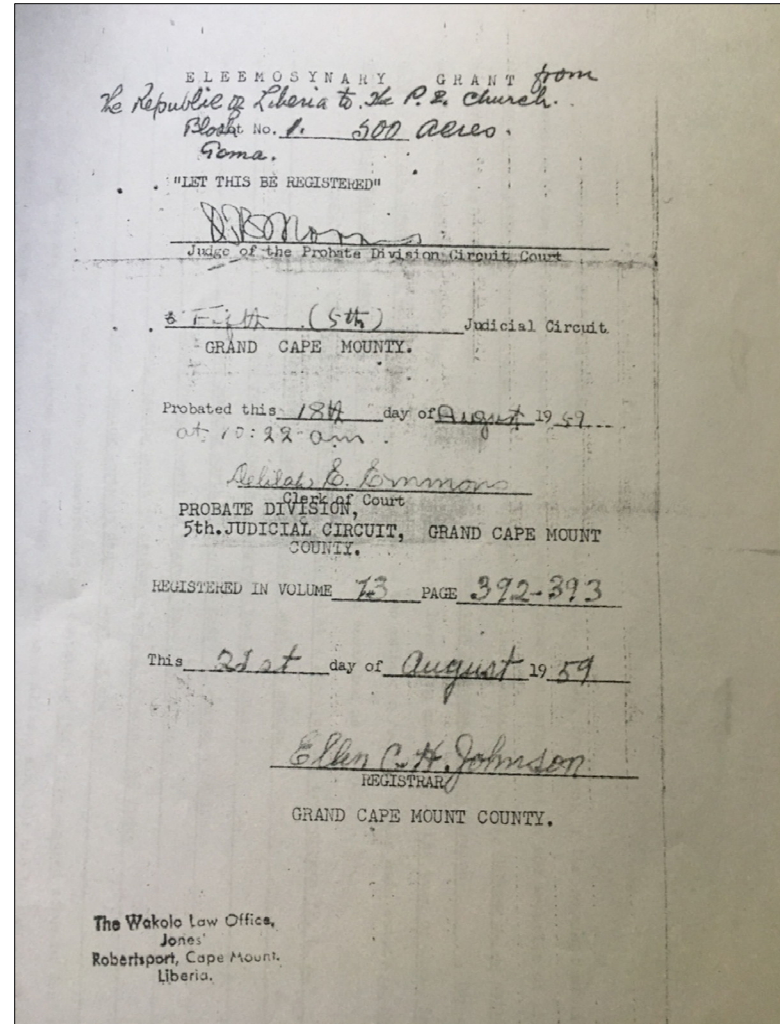

Also: discussion and preliminary research for an approximate 67Kw generator set was partially done and is temporarily on hold.

Ongoing Projects

The Kobolia Agriculture Project

Deed has been located and on hand; a technical group has visited the site and the preliminary project proposal is done. The intent of this project is a feeder project for support and self-subsistence of the institution should we be successful in rebuilding the campuses to pre-civil war standard. We have a concept that is now being reviewed by a technical committee.

Ongoing Project

Replacement of the High School Roof

Not yet started but needs to be done prior to furnishing the Lab to safeguard and protect the Lab and equipment from water damage resulting from roof leakage and remove asbestos roofing tiles. **Plans to implement this are under discussion. Supporting the Memorial Wall will pay for the roof replacement.**

Ongoing Project

Clinic

This is the school clinic but it is not in good condition. It needs to be renovated and furnished.

Ongoing Project

4-Wheel Drive Pickup Truck

The members of St. John's in the Village, Manhattan, hoped to collect \$4,000 towards a four-wheel drive pickup truck during Lent. Instead, they collected \$6,000.

Other donations came from alumni and from Christ Church New Brighton, Staten Island, NY.

The truck will be used to transport material and equipment from Monrovia to the campus.

Ongoing Project

High School Library

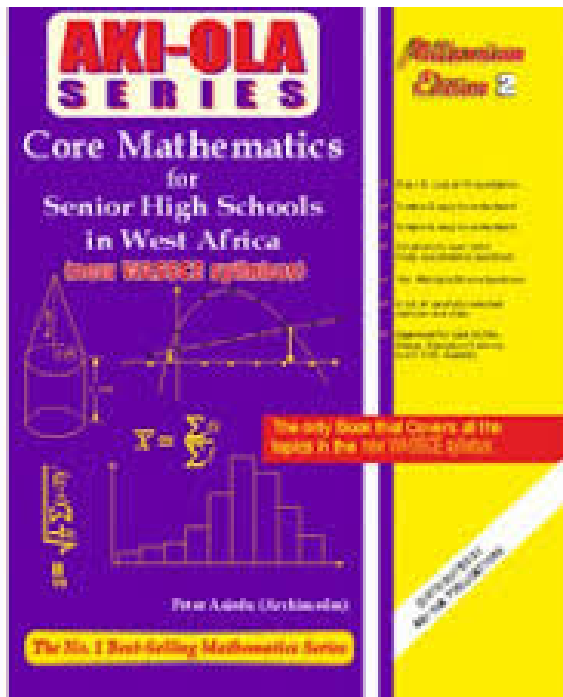

The library is not complete.

Ongoing Project

Textbooks for the Schools

Some alumni have bought the high-school level Aki Ola textbooks needed for the national exams.

Ongoing Project

Principal E. Bolling Robertson's House

Early in 2020, Dr. Hannah Abeodu Jones wrote seeking the bishop's permission to renovate the Robertson building. She was granted the permission and the renovation work is ongoing.

Future Project

Langford Hall (Boys' Dorm)

Reopening St. John's & House of Bethany (Boarding)

A tri-partite arrangement for the campuses is being developed and not yet finalized. Those involved are the Ministry of Education, Episcopal Diocese of Liberia, and the EHS-EES/St. John's Technical Academy Alumni Associations of Liberia and USA. Plans to implement this are under discussion.

Future Project

Former House of Bethany, in ruins.

Future Project

Cafeteria

This hall is a proposed cafeteria for students. It needs to be completed and furnished with chairs and desks.

Future Project

United States: Church Support

- Christ Church New Brighton, Staten Island
 - Collecting school materials and computers
 - Trip to Liberia

Fr. Trevor Babb with New York City Councilmember Debi Rose

Books, computers, and supplies, plus a copier, for the schools

Future Project

Scholarship in memory of Mrs. Marilyn Kean Robinson

Summary of Approved Projects

1. Science lab equipment (**completed**)
2. Water tower (**completed**)
3. EHS roof (**ongoing**)
4. Computer lab equipment (**ongoing**)
5. Memorial Wall update (**ongoing full speed**)
6. Safety and security solar lights on campus (**ongoing**)
7. Kobolia feasibility study (**ongoing**)
8. Mission trip to Liberia (**ongoing**)
9. Salary payments (**temporarily on hold**)
10. Pickup truck (twin-cab) (**on hold**)

Summary

All projects are supported by the EES/EHS Alumni Association, and with collaboration & communication between the USA & LIBERIA branch executives in agreement and with permission from the Episcopal Diocese of Liberia through the Bishop's office and with other donors.

Our Gratitude & Appreciation To:

Foreign missionaries, priests, educators, doctors, and nurses and their Liberian counterparts who dedicated their lives to working with the Episcopal schools and churches in Liberia, particularly on the St. John's and Bethany campuses and in the Episcopal Elementary and High Schools. And to those who worked at St. Timothy's Hospital in Robertsport, Grand Cape Mount County, we are also grateful and appreciative of their invaluable services and contributions.
