# Finished Project

## Clinic

The school clinic was reroofed and renovated.

Before renovation

# Finished Project

## Principal E. Bolling Robertson's House

Early in 2020, Dr. Hannah Abeodu Jones wrote seeking the bishop's permission to renovate the Robertson building. She was granted the permission and the renovation work is completed.

# Finished Project

## 4-Wheel Drive Pickup Truck

The members of St. John's in the Village, Manhattan, hoped to collect \$4,000 towards a four-wheel drive pickup truck during Lent. Instead, they collected \$6,000.

Other donations came from alumni and from Christ Church New Brighton, Staten Island, NY.

The truck will be used to transport material and equipment from Monrovia to the campus.

# Ongoing Project

## Memorial Wall: Means of Fundraising

*Phase 1 Completed:* There are two walls, one online **on the website** and two physical plaques at the elementary and high school libraries.

The walls are to memorialize our loved ones. The donation is \$50 for each deceased person.

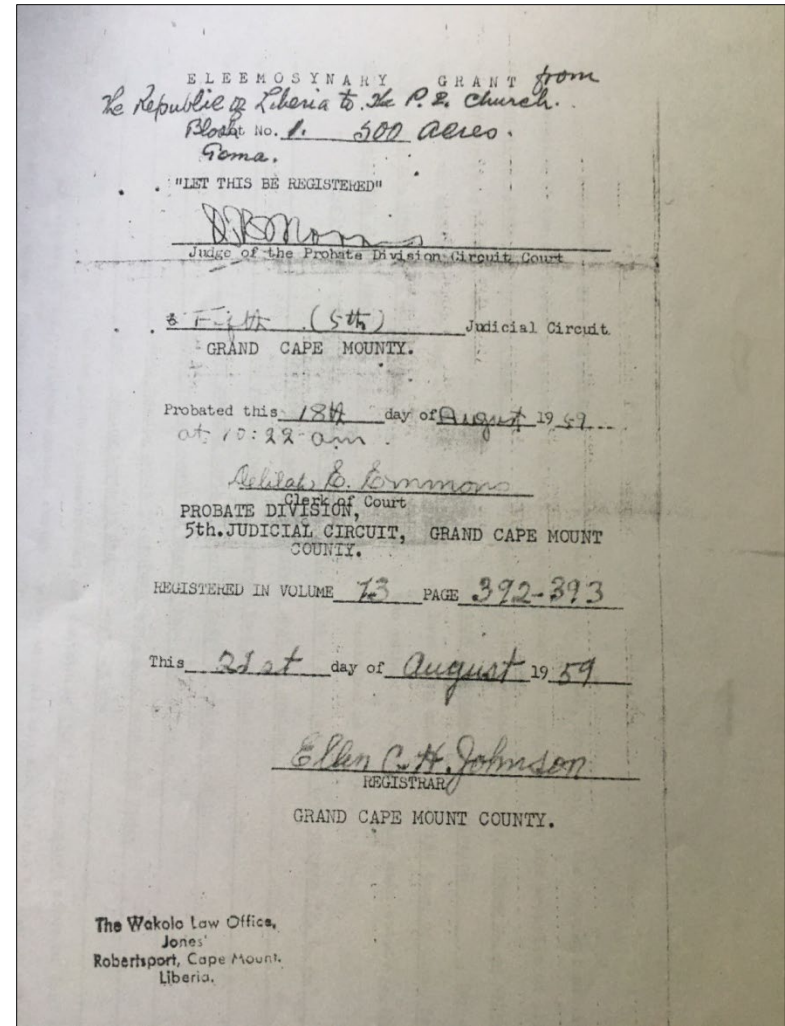

*Phase 2* is started.

# Ongoing Projects

## The Kobolia Agriculture Project

Deed has been located and on hand; a technical group has visited the site and the preliminary project proposal is done. The intent of this project is a feeder project for support and self-subsistence of the institution should we be successful in rebuilding the campuses to pre-civil war standard. We have a concept that is now being reviewed by a technical committee.

# Ongoing Project

## High School Library

**The library is not complete.**

# Future Project

## Langford Hall (Boys' Dorm)

### Reopening St. John's & House of Bethany (Boarding)

A tri-partite arrangement for the campuses is being developed and not yet finalized. Those involved are the Ministry of Education, Episcopal Diocese of Liberia, and the EHS-EES/St. John's Technical Academy Alumni Associations of Liberia and USA. Plans to implement this are under discussion.

# Future Project

**Former House of Bethany, in ruins.**

# Future Project

## Cafeteria

This hall is a proposed cafeteria for students. It needs to be completed and furnished with chairs and desks.

# Future Project

## United States: Church Support

- Christ Church New Brighton, Staten Island
  - Collecting school materials and computers
  - Trip to Liberia

Fr. Trevor Babb with New York City Councilmember Debi Rose

Books, computers, and supplies, plus a copier, for the schools

# Summary

*All projects are supported by the EES/EHS Alumni Association, and with collaboration & communication between the USA & LIBERIA branch executives in agreement and with permission from the Episcopal Diocese of Liberia through the Bishop's office and with other donors.*

# Our Gratitude & Appreciation To:

Foreign missionaries, priests, educators, doctors, and nurses and their Liberian counterparts who dedicated their lives to working with the Episcopal schools and churches in Liberia, particularly on the St. John's and Bethany campuses and in the Episcopal Elementary and High Schools. And to those who worked at St. Timothy's Hospital in Robertsport, Grand Cape Mount County, we are also grateful and appreciative of their invaluable services and contributions.

We also want to thank those individuals and organizations that contributed to our rebuilding:

- *Safe drinking water:* Rev. Mother Abeoseh Flemister (PILMIL), Ms. Susan J. Bonnell, and St. John's Episcopal Church, Westerville, OH
- *Pickup truck:* Dr. John Singler, St. John's in the Village, Manhattan, and Christ Church, Staten Island
- *Roofs of EHS and Clinic:* Anonymous donor and all of you who donated to the Memorial Wall
- *Solar lights:* 2022 Sustainable Development Goals from the Episcopal Diocese of New York, Christ Church New Brighton, EES-EHS Alumni, Bolahun Worldwide, and other donors
- *Rebuilt Robertson House and Brunot Hall:* Dr. Hannah Abeodu Jones
- *Tennis court:* Ms. A. C. Hoff
